PERSONAL PROFILE

A 2nd year computer games programming student seeking a 12 month placement in Games or software development. I have been tinkering with games since I was 12 years old. Started with **Java**, **Modding Minecraft** then moved to **HTML** and **CSS** and finally landed at computer games programming using mainly **C++**, **C# using Unity and Visual Studio 2017 / 2019**.

ACADEMIC SKILLS

- Programming Skills in **C++**, **C#**, **Visual Basic** gained from my **University Degree**.
- Database building using **Microsoft Access** which I used in college doing my **HNC in Computer Systems Development**.
- Video Editing using **After Effects & Adobe Flash Animator** which i gained from personal projects.
- **Technical writing skills** from having to write **troubleshooting guides**, and **user manuals**.
- Knowledge of MS Office, MS Visio, Adobe CC, GIMP, VMware also mostly gained from personal use.

EDUCATION

De Montfort University, Leicester - *BSc in Computer Games Programming*

Year 2018 - Year Current

Year 1 Modules (Completed w/ 71%)

Intro to C++ Programming (**94%**)

Intro to OOP in C++ (**86%**)
